

4Ks Services is an all-inclusive pre-death planning service with a personal touch.

The Final Wishes Questionnaire is a user-friendly interactive database that allows the user to document important information to assist the designated person in the execution of the desires of the deceased.

The Questionnaire assists in three phases **(1)** Before Death **(2)** When Death Occurs and **(3)** Post Mortem Decisions.

Additionally, in pre-planning it **(1)** saving time and money, **(2)** precludes making hasty decisions, and **(3)** mostly reduce stress.

To protect your information, we also provide you with a thumb drive on which you can securely store information and update as you desire.
